“ Beverly was my next door neighbor on Elks Road for several years..She was such a pleasant and caring lady. When my son was born, Beverly was one of the first to visit us at the hospital with a gift. She will be greatly missed.

“ I just adored Beverly. I always looked forward to waiting on her when I worked at the bank. She would bring her little dog in with her and sit it in the window while she did her banking. What a wonderful smile and such a sweet woman. She will be missed by many. My deepest condolences to you all.
