“ *David and I shared a lot of good times. We lived three house apart on SW 19th. We had paper routes together at the age of 12. Worked at Famous Receipe at 16 together. Drove his blue Gremlin every where. I only saw him upset one time in my life, that was when the Gremlin stopped running on the South side of town and we had to walk home.*

He was a great friend and part of our family. He will truly be missed.

“ Even though we have not had any contact as adults it is so sad to see a Joseph Moore classmate pass. We spent many elementary school years together in the same class. I remember him being very happy, kind, and fun to be around.

To his family and friends, I want to say how very sorry I am for your loss and I'm praying for you all at this tragic time.
