“Faye was truly one of our mom's best friends. She was so kind, loving, and caring and was especially thoughtful when mom was ill. She will be missed by many, as she was loved by many. Our thoughts and prayers are with you at this difficult time.

“She was always praying for me when I was out in the world. Her prayers were answered for I was gloriously saved. What a wonderful, Godly woman. I will miss the talks we had together.

“Faye, as I knew her, was one of the sweetest and kindest persons I ever met!!!

She loved everyone with a Godly love for all. I was privileged to have her work individually with students who came into my classroom. She worked diligently to help students and me as we attempted to teach them with reading skills. Wherever we might meet, Faye was always ready to give me a hug and a positive message. Unfortunately, I missed the notice of her service in time to show my respect for her.

Please know that I am so sorry for this loss.

I always remember Faye with love.

“ So many memories of this sweet lady. She was the 1st friend I made when I moved to Richmond. She was always there for me when I need a babysitter for my young children and the only I one could entrust to watch my fragile baby boy. I will miss our chats on the front porch swing. I can still smell all the bake cookies and cornbread. With love to all the Stapleton family. My heart is sadden but I know the good Lord will watch over her. Sincerely Paul and Pam Jacot & Family

“ We lived a few houses away from Faye and Roy when we were little. We always asked if she could come out and play and she would play board games with us on their porch and give us popsicles. We loved her.

“ *So many memories, she was a truly amazing woman, always lived a life that the good Lord, I know, was glad to welcome her in his Kingdom yesterday. Always had a servants heart. I've known all this family for over 40 years and she never changed in attitude or appearance, she never aged, just as beautiful as the first day I meet her. My hope is that everyone knows, I'm sure her hope would be, to meet every last one of us at His gate on our last day on earth. You will be missed sweet lady. Love to the whole family, from our whole family. Jody Brown and family.*
