“ Frank was in my first year Union carpentry apprentice class back in early 70s. He talked of being a reserve with the WCSD and wasn't long until he found his passion and went full time with the dept. After that I worked him at the Sheriff's dept for the 5 years that I was there also.

Frank was a nice guy. Polite and assisting. I always liked him, and years later when I saw him at the courthouse, it was like I saw him yesterday.

My condolences to the family for your loss. Gone too soon.
