“ So sorry to hear of David's (I always called him David) passing. I was a classmate of his at Crothersville, class of '72. I lost track of him after high school as we both went our separate ways. Really enjoyed watching the video tribute. Looks like he had a good life with a wonderful loving family! We have lost so many of our class recently, so sad. It is good to think about old times, though! How does the saying go? "Don't cry because it's over. Smile because it happened."

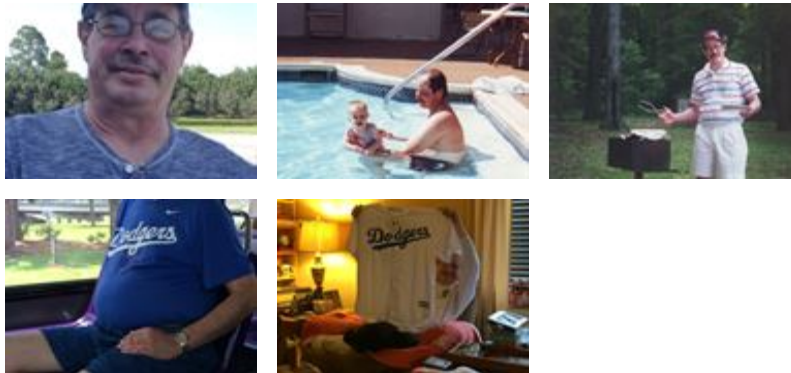

I won't make it to the visitation or funeral, but be assured that I will be praying for and thinking of you Wednesday and Thursday and beyond. You have my sincerest condolences for your loss.
