“ I know this is a very difficult time for all of you. May God Bless and Watch Over all of You and Comfort and Help you Heal. Aunt Lorene was a special person and although I did not spend a lot of time with her during the last few year, I do remember a lot of great family times with her. I know she is in heaven and probably visiting with Mom and Tom and all of her family and friends. Sandee Dillon, Montague, CA

“Mom, I love you dearly and I am going to miss you always. While my heart is broken and aches I know you have gone on to a better place. When God reached down his hand to call you to him I am sure it was hard for you to let go of us here on earth. You loved your family so much I know you were hurt to leave us behind. I'll never forget your bright smile and your excitement when you had a lot of family around you. God has beckoned you to come to him and be one of his Angels in Heaven. I am sure they call you "Angel Nanny"!! The title surely fits you to a tee. Watch over us and be our Guardian Angel and we will be coming to see you someday and we can all rejoice in our reunion. I love you Mom, and will miss you always. Roger
