“ Carol,Patsy,Joe,Wendell, Robert, & Steve, Sorry to hear about Lula. She was such a great person. All of our family loved her so much. She and Mom had the best times together, and all of you were so good to my Mom and me, Tammy, Lakeisha, Jr. when she visited with Lula. My family dearly loved her I really don't know if I knew a Woman that was as kind and gentle. Our prayers are with you in this time of sorrow. I would love to say I knew we were coming to pay our respects; but due to the weather we probably would not start out with Mom. If there is something we can do please let us know. We love you guys. “ I am so sorry to hear about Lula, she was like a mom to me. I have known her my whole life. And i grew up with her kids, i never had no brothers or sisters of my own, but i had all of her children to call my own. I am very sorry that i can't make it up there, but the weather is not on my side. I am going to miss her so much! Words just won't come out right. When my mamaw passed, i felt like i had a angel sitting on my shoulder waching out for me, now i have a angel on my other shoulder, and her name is Lula. I love you all, and i just really want to say thank you for sharing her with me. She was a ture blessing in my life. I love you Lula, your gone, buit will never be forgotton. Your Lisa.

“ *Lula was my aunt, the last living sibling of my father, Everet King in Strunk, KY. I have many fond memories of her family visiting us when we were growing up. I was very sorry to hear of her passing and know it will be very hard on her children and their families. However, she will be reunited with others that loved her as she loved them in heaven. I look forward to seeing the family on Tuesday for the viewing. In the meantime if you need anything don't hesitate to call.*
