“ *We would like to express our deepest sympathy. A mother's love is so dear to us and such love we will never forget. In the book of Proverb it describe the role of a wife and mother. (Proverb 31:10-30). Her value is far more than corals.she provides food for her household. Her household is clothed in warm garments. Verse 31 said : Give her the reward for what she does , and let her work praise her in the city gates. May these words comfort you because very soon we will see our mothers again. (John 5:28,29)*
