“ Greg, Shelby & Austin I am so sorry for your loss, my heart & prayers goes out to you guys. When I think of your Mom I get a smile on my face, thinking back of the laughs & great times we shared at the Hagerstown Elem. being parent volunteers together. Also it was neat to have someone from home (Centerville area) She loved talking about her family and keeping me updated on Uncle Cheese and how proud she was of him. All of us knew we could count on her for help every school year, Sandy was always the first to sign up for room mom & field trips. She loved her family and was a sweet giving lady. “ Sandy and I have been friends since the age of 10. We met during the blizzard of '78 as we all tried to keep warm huddled in my aunt Pam's house. I have more memories of her than I can ever count. Her laugh was boisterous and contagious. She could burp louder than any boy ever could and she was proud of it...especially in a crowd when she'd blame it on me. She was my secret keeper, partner in crime...my very best friend. Even though life's busy-ness sometimes got in the way, we could always pick up where we left off...laughing, giggling, remembering. I loved her and I always will. Sandy, your spirit is free now. No more pain. I will miss you terribly but I know I will see you again in heaven, where once again we will pick up where we left off.
