“ I am saddened to hear of Dr. Paraiso's passing. He delivered my only child, she is now almost 25 yrs old. He was the "singing Dr", he sang to me while I was in labor and comforted me. He was one of my favorite people. R.I.P. Dr Paraiso. May God be with your family during this sorrowful time. Michelle

“ I will always remember Dr. Paraiso's hospitality to me the one time I went to visit with them in Ohio, how he recited poetry to me in Spanish and his infinite kindness. May he rest in peace. My thoughts and prayers are with the family.

“ I am so grateful to have known Dr. Paraiso and your entire family. Since the day I walked onto the Notre Dame Campus and into Breen-Phillips Hall, where I met Michelle, one of the best friends I would ever have, I felt embraced by your entire family. Dr. Paraiso has left quite a legacy -- of life (so many babies he helped bring into this world), of poetry and music, of gentle compassion and, most notably, of love through your beautiful family. We are praying that God brings you some peace at this difficult time. Love always,
Kristen
